

POLICE STATION . . . This is how Torrance's police station will appear when the old fire station is converted into quarters for the police and city court. The present station is overcrowded, due to the rapid growth of the force. The building was designed by A. R. Walker & Associates.

NEW FIRE STATION . . . Torrance must have a new and larger fire station to care for its growing needs. Shown above is a drawing of the proposed new station prepared by A. R. Walker & Associates for the city. Provision for financing the station will be placed on the ballot at a bond election soon.

Duck Hunting Reported Good In Some Areas

One-half hour before sunrise on Nov. 2, the State of California was open to duck shooting. Wardens of the Division of Fish and Game reported the following opening day shooting:

Kern County: Lots of ducks in the irrigated fields in the Buttonwillow district. The unattached hunters got good shooting on the opening.

Los Angeles County: Duck population has increased considerably the past week in the Antelope Valley area. (Eastern area) A few northern ducks are showing up but the general outlook for the opening was very poor.

Merced County: Many sprigs are in and many local mallards are on the clubs. Not all clubs have full supply of water yet, but the opening reports were good.

Mono County: Ducks have fed off small pot-hole lakes and are moving off. Four to five hundred mallard and sprig on Crowley Lake and along the Owens River.

Orange County: The outlook for the duck season is not as good as last year. A check on duck clubs in this area shows less than half of the number of birds as at this time last season.

San Bernardino County: A few ducks dropping on ponds along the river, but not so many as at this date last season. Lots of ducks on Baldwin Lake but very few on Big Bear or Arrowhead lakes.

San Diego County: Sprig and spoonies are in considerable numbers on Cuyamaca Lake, but there is no water in the tules at all.

San Joaquin County: Fewer ducks now than there were two

Stephenson Harbor Area Scout Head

Harbor district Scout leaders Sunday afternoon ratified a committee nomination of Ted Stephenson of Gardena as district chairman to succeed Hillman R. Lee of Torrance.

Sub-district vice chairmen named at the annual meeting following a barbecue at Camp Vaughn-Scott in the Hollywood Riviera section of Torrance were Cecil Thomas, San Pedro; Bill Cote, Wilmington; Frederick Cook, Torrance; B. J. Michels, Walteria; John Burton, Rolling Hills; Phil Osborn, Lomita; and W. H. Weir, Gardena.

Stephenson named A. C. Turner of Torrance as camping activities chairman to succeed Charles Crawford of San Pedro. Leonard Pitzberger of Wilmington was reelected chairman of the training committee.

Annual reports showed more than 500 Scouts in the harbor district distributed more than 100,000 pieces of literature boosting war bond, Chest and other campaigns; 200 boys participated in parades; more than 100 collected newspapers, and 50 helped forest service crews clear fire trails. Counting both weekend and summer campers, district Scouts and their leaders rolled up a total of 4007 camper-days last year.

weeks ago.

San Mateo County: Duck hunting will not be good at the first of the season but good shooting on the bay may be expected later on.

Santa Barbara County: Very few ducks in this area. Season will be very poor in this area unless northern storms bring the birds within the next few weeks.

Rent Control Will Not Be Lifted, Report

Reports circulated recently that rent control is to be ended shortly in the Los Angeles Defense-Rental Area are unfounded. C. H. Blaylock, associate area rent director, assured tenants today.

"As long as the Price Control Act authorizing rent control remains in effect and the shortage of housing facilities makes it necessary to protect tenants from unwarranted rent increases and evictions, OPA will not lift the safeguards," Blaylock said.

God Crowded Out Of Life, Says Speaker

"The trouble with the world is that it has no time for God. He is so crowded out of the schedule of every day life that the religious motive and power are being lost. Many homes are disintegrating. Multitudes of children have no religious instruction and background."

Thus spoke Dr. A. T. Tomshany, evangelist, at the Community Presbyterian church of Lomita, where Rev. John E. Orr is pastor.

"It is the will of God that Christ all-fulsness should dwell. This means the social, economic and the political, and the international order. The reason for so much discord and disharmony in all these fields is that Christ and His teachings are left out of consideration. But now that the atomic bomb has been created, we are forced to create a new international order on the Golden Rule, or we must perish.

"For the stabilization of our own country and for our future security, we must carry out the slogan on our coins 'In God We Trust.' After all, religion and education are the safeguards of our nation."

The preaching mission at the Community Presbyterian church will close on Sunday evening with a victory meeting. Until then services will be held each evening, save Saturday. Special music is provided at each service and Dr. Tomshany plays on the cimbalom.

STORKatorials

The stork visited the following parents, among others, at the Torrance Memorial hospital during the past week:

Mr. and Mrs. Carl Collins, 1624 W. 25th st., boy, Nov. 2, 4:02 p.m.

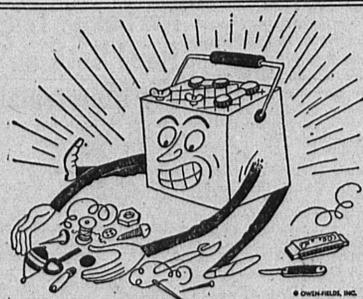

Mr. and Mrs. Eugene Edgman, 732 Border ave., boy, Nov. 2, 2:04 a.m.

Mr. and Mrs. Gerald Emerson, 820 Cota ave., boy, Nov. 1, 1:45 a.m.

Lt. and Mrs. Harry Kyne, 1634 Beech ave., boy, Nov. 3, 12:34 p.m.

Mr. and Mrs. Selmer Stephens, 2213 Cabrillo ave., girl, Nov. 4, 11:50 a.m.

The difference between false and true pleasure is this: for the true, the price is paid before you enjoy it; for the false, after you enjoy it. John Foster

Recruits Get New Opportunity

W. M. Cox, recruiter in charge of the San Pedro U. S. Navy Recruiting station, announced today that men now volunteering for service in the Regular Navy will have the option of electing either two, three, four or six year terms of enlistment. Regular Navy term of service previously has been four years.

Men volunteering for a first enlistment or reenlistment in the Regular Navy are now given an option on the length of time they wish to serve. Applicants 17 years of age may now be enlisted for two years, three years, or not to exceed minority. Men enlisting for minority are automatically discharged when they reach the age of 21.

Applicants in the age group 18 to 30 inclusive may now be enlisted for either two, three, four or six years. The Navy also announced that men over 30 will be eligible for enlistment in the Regular Navy if their total previous military or naval service

or active service in the Naval Reserve deducted from their present age place them in the 18-30 group.

Ratings for which first enlistments in the Regular Navy may be made by men without previous military or naval service are: apprentice seaman, hospital apprentice, second class; steward's mate, third class, and seaman, first class (radio technician) only.

Offering men the option of electing two, three, four or six year terms of service is expected to accelerate still further the current brisk rate of voluntary enlistments in the Regular Navy. Out of a total of 32,511 voluntary enlistments in the months of August and September, 17,977 were for the Regular Navy.

HOME FROM LUZON
Sgt. Clifford E. Ruppel sailed Oct. 25 from Luzon and will be home soon, according to his wife, Winifred.
